FLYBRIDGE MOTOR YACHT**

Martimo®

OCEANS APART

From the island continent of Australia, a Maritimo is born into a coastline measuring over 32,000 nautical miles in length. The perfect testing grounds for the world's true long-range luxury motor yacht builder.

Experience a collection of luxury motor yachts that are without peer, luxury motor yachts that are truly oceans apart.

Maritimo[®]

CRAFTING DREAMS

Founded by Australia's most awarded boat builder, Bill Barry Cotter. Crafting motor yachts of the highest quality for the world has been a life-long passion that has encapsulated him for 60 years of his life.

Maritimo will never submit to the status quo. As innovators, we challenge conventional wisdom to materialise new ideas. We see every detail as an opportunity for excellence.

The result is a place where motor yachts of the most superior quality, and capability are born, a place of crafting dreams.

Maritimo

RACEBRED TECHNOLOGY

Whether at 130 Knots or 30 Knots, there is no such thing as over engineering.

With an esteemed heritage in offshore racing, every Maritimo is infused with the technological advancements, responsive performance and dependable engineering derived from experience in competition.

Maritimo's pedigree is unmatched, as the only luxury motor yacht manufacturer internationally, with dedicated factory racing division.

EXPERIENCE THE MARITIMO M-SERIES

The ultimate concept in long range cruising, performance and design the M-Series flybridge motor yacht range sets the global standard in comfort and protection. Unrivalled as the worlds leading ocean going passage maker, with long range capacity and ocean proven endurance.

Featuring a climate controlled, fully enclosed flybridge sky lounge with internal staircase access, and Maritimo trademark direct shaft technology, the M-Series delivers outstanding performance in any condition.
